

Massachusetts Lions Eye Research Fund is YOUR Fund! Through your generous donations, we have been able to fund cutting-edge vision research that may one day end preventable blindness.

The Visionary Award has been designed to recognize individuals who donate \$250 or more. Visionaries will receive a beautifully designed “*Knights of the Blind*” pin (above) that can be proudly worn. This award can be earned on an annual basis. The monies donated are earmarked for the Grant Program and will count towards the total club donations for the year.

Please complete the information below and mail this form and your check made payable to MLERF for \$250 (or more), to PDG Debbie Hayes, 37 Island Road, Millis, MA 02054. In the memo line, note Visionary Award.

Non-Lion/LEO donors are asked to provide the name of the club to be credited. If no club is designated, the funds will be allocated to the district of the current president of MLERF.

Thank you very much for becoming a visionary in our crusade against darkness. With the help of generous donors like you, Mass Lions Eye Research Fund (a 501.c.3 charitable organization) is able to provide grants to area researchers and institutions working to end blindness and eye disease in our lifetime.
